1	Looked at sustainability and tough times differently, feel rejuvenated and empowered.
2	One presenter was not clear. Hard to understand his information. It was a great workshop.
3	Richard had a great visual presentation and communicated the information quite well.
4	It was too good
5	I would have liked to have had some handouts, especially since we are trying to make a recommendation to our agency on switching from JCAHO to COA. The more material/info we have, the better.
6	Richard continued to promote his/COA focus on partnerships during this workshop. Suggestion: To promote networking and partnerships provide an E-directory by states of COA accredited organizations and contact persons
7	I liked their new approach in the presentation
