**Question 4: How would you rate the originality/uniqueness of workshop/panel?**

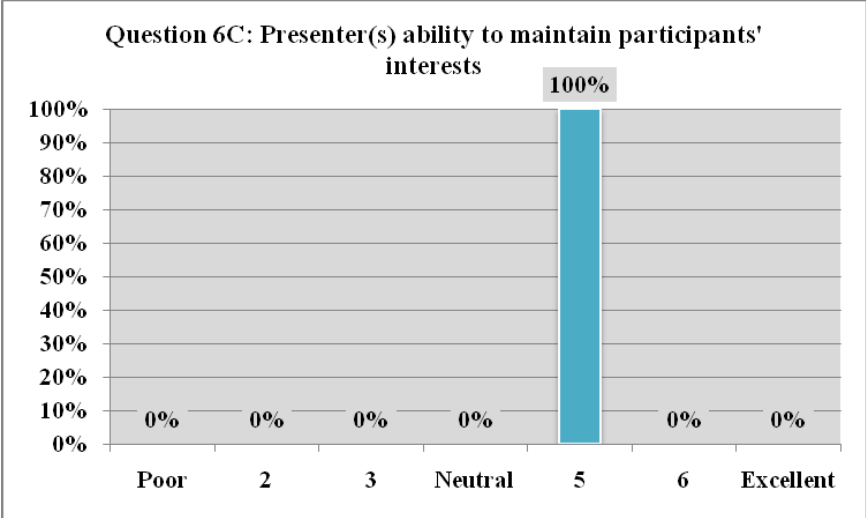

**Question 5: To what degree was the content of workshop/panel applicable to your job?**

Question 6: Please evaluate the presenter(s). If your workshop/panel had more than one presenter calculate an overall response rating from your experience/perception of *all* the presenters. *Under the comments question you will be able to provide feedback on specific presenters.*

Question 7: **COMMENTS:** Please use this space to provide positive or negative feedback about a specific presenter, the presenters as a group and/or the overall quality of the workshop/panel.

1	I think that the title of the workshop was a bit misleading. I was hoping to gain some additional knowledge in how to implement or grow a volunteer program, and this presentation was more about general info on existing programs.
