1	I am on the periphery of our intercountry adoption program so this workshop opened my eyes to the conflict which exists between what I hear from the social workers and what I heard today from the State Department and USCIS bureaucrats.
2	I had to leave in the middle b/c CARA delegates delayed in the morning meeting so I missed out first 20 minutes and then I had to leave for the airport but whatever I heard, was good.
3	Great overview of the content. Identification of resources is most helpful. More time would have been useful.
4	Needed to have this workshop at least 2 hours long or have Homeland Security and COA present in 2 different workshops. We needed more Q and A time.
5	The information from NBC was the most helpful.
