1	I thought Stan and Ariana were dynamic and informative and the time really flew by - I learned a lot and could have sat through a much longer presentation by them. Terrific presentation skills!
2	Great presentation. Stanley was a lot of fun. His co-trainer added to the flow of the training.
3	Appreciative inquiry is a concept that is widely used in Canada. I was exposed to it when I completed my Masters program in 2004. This workshop was a good refresher. Thank You.
4	Needed more time. Would have like to do more exercises in using the tool.
